

Pre-IB Spanish 2

Students going into level 2 next year (whether freshmen now or freshmen that skip 1) for 2018-2019 will use the Google Classroom code:

4erhez

Complete every assignment in that Google Classroom, your grade will be exactly what grade you turn in. They can redo each assignment and we'll accept the highest grade turned in for each.

These combined assignments will be the equivalent of one test grade to begin the school year.
