

# Attention all Riverdale Alumni!

There is a committee that has started planning the “**Class of 1997's 20th reunion**”... we would love to reach as many of our classmates as possible. If you, your spouse, family member, or someone you know who graduated from Riverdale high school in 1997, then please let them know we would love to see them!

Please feel free to contact the committee at [rhs97alumni@gmail.com](mailto:rhs97alumni@gmail.com)!
