

ParentLink® is a messaging system that allows us to communicate with you concerning your child's assignments, schedule, grades, attendance, lunch balance, and special events happening at school. In addition, in the event of an emergency, ParentLink® is the fastest most reliable way that your child's school or the District can get need-to-know information directly to you. Website: <http://parentlink.leeschools.net>

We have an App for that!

You can access ParentLink® information through your smartphones or tablets with the Lee County Public Schools App. Log on to Google Play (for Android devices) or the App Store (for Apple devices) to download the application. This app will allow you to receive real-time messages directly from your child's school or the District.

The Technology Specialist at your child's school is able to answer any questions you may have about logging on to the ParentLink® web site or the Lee County Public Schools App.

Parent Log-on Information

- User name is the Student ID of the eldest child in the District, living in the student's household, followed by the parent's first and last initial. The student's household includes all students living at the same address, with the same home phone number. For example, if the Student ID of Jane Doe's eldest child in the household is 12345678, Jane Doe's User name would be 12345678JD
- The password is the birth date of the student whose ID was used for the User name, in the format of MMDDYY. For example, if the birthdate of Jane Doe's eldest child is January 1, 1965, Jane Doe's password would be 010165

Student Log-on Information

- Sign in with your student ID number (8 digit number)
- Student's password is your birthdate. For example, November 2, 2005 would be 11022005
