

# GREETINGS RAIDER NATION

As the end of first semester draws to a close, our school has already accomplished so much. We are obviously well on our way to another successful year with student achievement and our student athletes have also accomplished great things outside of the classroom.

Academically, we are

closing out the first semester strong with 3 students receiving QuestBridge Scholarships. Athletically, our Girls Bowling Team advanced to the state competition as well as Jordan Frazier from the Boys Bowling Team. Two swimmers, Gabby Shepard and Carolina Loayza, each went to the state swimming competition. And in football, the team just completed the first ever undefeated regular season in school history. They closed out in stellar fashion by winning the "Battle of the Bell" for the second year in a row. We are definitely looking forward to continuing this momentum into the upcoming semester and sports seasons.

Also, just a reminder that SAT and ACT testing will be coming soon. Students, if you have not already signed up and need assistance, please see your guidance counselor. This is also the time of year that seniors need to pay close attention to graduation updates. Again, make sure to see your guidance counselor for any assistance. It is important that you stay informed of these deadlines so no opportunities are missed. It has been a very successful school year so far and I can't wait to see where we go next.

# 26TH ANNUAL GIVING TREE

## RIVERDALE HIGH SCHOOL 26TH ANNUAL HOLIDAY GIVING TREE

In December 2018, our team of Riverdale elves, Mr. Cook, Coach Fedak, Mrs. Sexton, Mr. Budmayr, Mrs. Budmayr and Mrs. Mercer delivered the following to our three families: An estimated value of \$7,250.00 was placed on our gift giving this year.

96	Gifts
3	Pre-lit artificial holiday trees and decorations
32	Cases of food
\$450.00	Gift Certificates
3	Certificates for 3 completely cooked Publix dinners for the whole family
2	Caps and gowns, yearbooks and grad bash tickets
3	Checks for \$250.00

It was very emotional for our families and us too! Our families were overwhelmed and filled with disbelief at the outpouring of our gift giving to them. When Mr. Cook presented them each with a check, they were speechless and the tears started flowing. One parent said that Christmas wasn't happening this year and didn't know how they were going to make it – we know that the check and food came to them at a good time.

Thank you all for making yourself a part of this festive and joyous time of year. This was our 26<sup>th</sup> year for helping Riverdale students and their families and it could not be done without your help and support. So many people pitched in to help and I could not name all of you without being in fear of missing an acknowledgment – so thank you, thank you, thank you all! Definitely, the gifts of the season and the beauty of giving have shown thru once again in the 2018 Angel Giving Tree.

## DISTRICT CHAMPIONS!

*“Winning a district championships in 2018 is huge for us as a team, it is in some ways that we delivered on a promise. We always told our kids that those who stay will be champions and that’s just more than wins*

*on the field. We believe that what we do and how we carry ourselves, the way we do things leads to championships off the field. We build champions, we build men, and that’s our ultimate goal. To be able to do that on the field and to be able to do it for the first time in a long time and for it to be the third time is changing Riverdale’s history, it is monumental. It’s great for our kids, it’s great for our school, it’s great for our community and so it’s definitely something that we don’t take for granted. We don’t overlook and let’s face it..at the end of the day with the system set up right now, winning a district championship is not*

*guaranteed into the playoffs, so now we are set up where we can control our destiny to host the first round of the playoffs and have an opportunity to compete for something greater. Our goal was never a district championship per se, but it was to build champions and to be champions. We are that and now we are working towards more.- Coach Delgado*
