# Greetings Raider Nation!

Greetings Raiders!

It has been a great start to the 2017-2018 school year despite the devastating impact of Hurricane Irma providing major challenges to our school and community. Through these challenges we shown our strength and resilience. Here at Riverdale in particular, we came together as a family to do what was needed to get our school back on track. I am so proud of our students, staff, and the Riverdale community for all of the support and efforts leading to our return to school on September 25th.

Now that we are moving forward into the school year, we are determined to keep our momentum and continue to build on our many successes. We have had an exciting homecoming week and want to continue to encourage all of our students to get involved in extra-curricular activities. These activities not only support our school and community, but they also provide opportunities for our students to grow academically, socially, and help build leadership skills.

Also, just a reminder that SAT and ACT testing will be coming soon. Students, if you have not already signed up and need assistance, please see your guidance counselor. This is also the time of year that seniors need to pay close attention to graduation updates. Again, make sure to see your school counselor or visit counselor corner during your lunch shift for any assistance. It is important that you stay informed of these deadlines so no opportunities are missed.

It has been a very successful school year so far and I am truly looking forward to the great things that we are going to do throughout this year. It's definitely a great time to be a Raider!

-Principal Cook

**BELIEF STATEMENT** :PUBLIC EDUCATION IS IMPERATIVE TO SUPPORT AND SUSTAIN A DIVERSE DEMOCRATIC SOCIETY. TO THIS END, WE BELIEVE, STUDENT LEARNING IS THE CHIEF PRIORITY FOR OUR SCHOOL. CHALLENGING EXPECTATIONS INCREASE STUDENT PERFORMANCE. STUDENTS LEARN IN DIFFERENT WAYS AND SHOULD BE PROVIDED WITH A VARIETY OF INSTRUCTIONAL APPROACHES TO SUPPORT THEIR LEARNING. THE HOME, SCHOOL AND COMMUNITY MUST SERVE AND SUPPORT ONE ANOTHER. TEACHING AND LEARNING REQUIRE A HEALTHY, SAFE AND ORDERLY ENVIRONMENT. RESOURCES AND SERVICES ARE ESSENTIAL FOR EFFECTIVE INSTRUCTION. ALL STAFF MUST CONTINUE TO LEARN AND ALL SCHOOLS MUST CONTINUE TO IMPROVE.

### Study Tips

- ⇒ Select a regular time and comfortable place to study daily.
- ⇒ Organize your study materials and plan out what you will do during your study time.
- ⇒ Use note cards or graphic organizers to break down large amounts of material to increase comprehension of concepts.
- ⇒ Communicate regularly with teachers to ask questions and increase understanding of material covered in class.
- ⇒ Monitor grades weekly.

## RIVERDALE HIGH SCHOOL 25<sup>TH</sup> ANNUAL HOLIDAY GIVING TREE

It is hard to believe that we are getting ready to celebrate our SILVER ANNIVERSARY of the Riverdale Holiday Giving Tree. Yes, it has been 25 years since the inception of the holiday tree and Riverdale is gearing up for this momentous occasion once again. This is an annual school and community-wide event that helps to provide needy Riverdale students and their families with some great holiday memories.

A holiday tree is set up in the Guidance office and anyone is welcome to take an angel from our tree and buy the gift item written on the angel. All the gift items printed on the angels come from the "wish list" that was provided to us by our chosen Giving Tree families. The gift item is wrapped and the angel lightly taped to your present and returned back to the Guidance office.

We also collect monetary donations, food, gift certificates, etc from our private contributors, school staff and students and deliver these items personally to the student's homes before the winter break.

Last year we sponsored five deserving families and distributed to them \$2800.00 cash, 128 gift items, \$400.00 in gift certificates and over 20 cases of food products. Each family was also given a voucher for a completely prepared holiday meal which was pre-ordered for them to pick up at Publix on Christmas Eve. They were also given a fully decorated holiday tree.

It is always a heart-warming experience that many of us have enjoyed being a part of and we are hoping for you to join us this year. We always need contributions and if you would like to make a donation to the 2017 Holiday Giving Tree, please contact Mrs. Jill Snyder in the Guidance office at 239-694-4141, Ext. 213 or e-mail [JillAS@LeeSchools.net](mailto:JillAS@LeeSchools.net). If you would like to make a monetary contribution, please make your check payable to Riverdale High School and mark on the memo line 2017 Riverdale Giving Tree.

Thanks!  
Mrs. Jill Snyder

# IB Mentoring Program

The Riverdale IB Program is starting a Mentoring Program. The purpose of this program is to pair IB Freshman / Sophomores with an IB Juniors / Seniors for support and guidance. This program is open to any IB Freshman or Sophomore. If you would like to have a buddy that has been through the classes you are currently taking, that understands what it takes to be successful in the Pre-IB Program, that has been where you are, you should sign up for this program. The only requirement is that you attend meetings on the 1st and 3rd Monday of each month, in the Media Center from 1:40 to 2:30. You must have a ride home at 2:30. If you are interested please contact the IB Office at 694-4141 or email Mrs. Budmayr at [traciab@leeschools.net](mailto:traciab@leeschools.net), or you can just show up at the Media Center after school on the 1<sup>st</sup> or 3<sup>rd</sup> Monday of the month.

## Raiders Assist with Hurricane Clean Up

Riverdale students, teachers, and parents gathered on Monday, September 18<sup>th</sup> to help out with hurricane Irma cleanup. There were 40 students, 8 teachers, 3 parents and 5 children of the teachers/parents. The event was organized by the IB Program's CAS Coordinator, Scott Whittamore. An email was sent out the week before asking anyone interested to show up at the school at 8am on Monday, 56 showed up. After filling several coolers with water and ice, and borrowing tools from the Riverdale Agriculture Department, the group headed out to three different locations. Location 1: The Alva Museum -- This group cleared debris, cut down trees and even pulled a tree out of the ground with the use of one of the student's truck. A neighbor that lives across the street from the Alva Museum came out with his chain saw to assist. Location 2: A monkey sanctuary in Buckingham -- This group assisted in cleaning up cages and clearing debris so the primates could return to their normal living arrangements. Location 3: Tuckahoe Road in Alva -- The largest group went to this road in Alva that was devastated by the storm. Once the water receded from this area it left yards covered with debris. Our group cleared the yards of four separate families. Cutting up trees, dragging limbs and raking piles and piles of leaves and branches. After finishing at their locations, the groups at the Alva Museum and the monkey sanctuary joined the group on Tuckahoe Road and the entire group cleared the yard of Riverdale staff members, Chris and Ashley Sexton, and the yard of Chris' parents that live next door.

One of the phrases we use at Riverdale is the Raider Nation, we are a community school that believes in helping each other out. The majority of the people involved are part of the Riverdale IB Program. The mission of the IB Program is to develop citizens of the world, people who are concerned about and willing to do something to help their community, be it locally, nationally or internationally. Each person that came out to help has been affected by the storm themselves, several were still without power, but they came out

## Kathleen Muller, Girls' Lacrosse Coach

### History

Lacrosse has been a major part of my life since I was introduced to the sport by my older cousins who played in high school in 1978. At the time, there were no club teams or sporting good stores that sold lacrosse equipment, so I waited patiently to join the JV team at my high school, W.T. Clarke, in Westbury, New York.

### Player Credentials

I played four years in high school, earning captain's status each year. I was proud that my coaches and my teammates recognized my dedication and love of the game and I appreciated my role as a leader and mentor.

I elected to attend SUNY Cortland in upstate New York because at the time it was one of the few state schools that had a prominent women's lacrosse program. I was selected as the only freshman to earn a position on the varsity team and by my junior year, I was chosen as captain of the varsity team.

### Coaching Credentials

I became a teacher after working many years in New York City as an insurance underwriter. It was then that I was able to revisit my passion for lacrosse. I have been a head coach for a total of seven years including teams that range from middle school to high school. All levels have their challenges, but one thing remains the same: Dedication to the sport.

### Coaching Philosophy

It's not complicated – "FUN" DAMENTALS. I have always been a firm believer that players should have fun, after all it is a game. I also believe that it is more fun to play when the fundamentals have been successfully achieved and players have the physical conditioning to sustain themselves in practices and games.

### Vision for a Successful Season

Every time a player leaves practice playing better than the day before is a success. Every time a player can acknowledge mistakes and take responsibility to improve is a success. Every time the team gels by lifting each other up instead of pointing fingers is a success. Every time a player leaves the field with a smile and a sense of achievement is a success. This is core to the Riverdale High School philosophy that, "Success is a Choice."

## Chelsey Oliver, Cross Country

"Chelsey Oliver has all the qualities a long distance runner needs. She is a hardworking and dedicated athlete with a love for speed. Last year she represented Riverdale at Florida State Competition for track and cross country. Her goal is to run for a division 1 university and keep pushing herself for a faster time."

-Coach Windey

## Raider Baseball

The Raider Baseball team is working hard in the weight room during their off season workouts. Tryouts will be held January 29th from 2-4:30 on the baseball field. Anyone trying out must have all athletic paperwork in to Mrs. Berry. Any questions see Coach Pringle.

# Volleyball

The Raider Volleyball team is currently 10-6 (missed 5 matches due to hurricane Irma) and second in their district. With 3 regular season games left, the following girls are leading the team: kills Heather Demarest, aces Kaylee Gibson, blocks Jaydn Green, digs Amy Barley and assists Emilee Iwinski. Tuesday Oct. 10 will be senior night to honor our four seniors; Roxana Gonzalez, Kristina Taylor, Emilee Iwinski and Amy Barley.

## Riverdale Golf

"You don't get what you wish for you get what you work for."

I am very proud of my team and all the effort we put in. We gave it our all and that's all I could ask for. -Autumn Nance

## Riverdale Bowling!

I've seen more sportsmanship, comradery, and supportive teammates this year than any other year I've been a coach.

# ARTSY NEWS

The Riverdale High School Culinary Club has been up to something good this fall. As a result of the great student participation, we have gotten involved in numerous school wide activities. We have planned our first Culinary Club outing, created a RELAY for LIFE team that will be circling the track in early May, collected non-perishable food items to benefit the local community and planned our first school ProStart Regional event in late October.

We are getting ready to begin our fall fundraiser called Fun Pasta, and will be taking a group of students to participate in a culinary lab experience and tour at Tarpon Springs High School very soon. The students that will be traveling to Tarpon Springs High School will be trained by premier chefs from Johnson and Wales as well as plan, prepare, and serve an entire meal for service. Participants will be given chef coats of their own and definitely look the part of a professional if only for a day! The event is sponsored by the Florida Restaurant and Lodging Educational Foundation and will definitely be something to talk about.

If we sound a bit busy, hold on. We are just getting started. Please follow upcoming articles to find out how you can join in on the fun. How can you help? Thanks for asking! Join Culinary Club! No, it's not too late. Contribute your time, talent, and skills to the community around us. Join our RELAY FOR LIFE team and save a life or give someone another birthday to celebrate. Donate a homemade baked good or make a donation to support our next COMMUNITY OUTREACH EVENT. Encourage your son or daughter to get involved.

See you at the next CULINARY CLUB CARES event; the club that has the "heart" beat that rocks the RAIDERS! For more details or to get involved, please email or call Mrs. Spinosa, [beverlylsp@leeschools.net](mailto:beverlylsp@leeschools.net) or 239-694-4141 x 308. If you would like to support our Fun Pasta Brochure fundraiser, you may simply stop in or call and ask for our online ordering link. This fundraiser helps to pay for many of our endeavors throughout the year. We appreciate your continued support! Your Riverdale High School Culinary Arts Department.

The Riverdale Art Department has had a great year so far with many students work being displayed throughout the community. We had excellent responses from the public. Some students were offered money for their art. The art club is up and running with several projects underway. They meet on Tuesday's after school and it's not to late to join. We are fortunate to have many very talented students!

There are several art shows coming up this year; Pride and Patriotism in October, "Leave the Scene Clean", sponsored by Lee County, the "Art Under 20" show downtown over the weekend in the beginning of Feb., and the Alliance of the Arts show in May. We also have several teams of three participating in the Chalk art festival downtown during the same weekend in February.

Ms. Favia has students participating in the empty bowls project to raise money for The Harry Chapin food bank.

Anyone needing information about the Art Program at Riverdale H.S. may contact Mr. Greenblatt, Ms. Addeo, Ms Favia or Ms. Marshman at 694-4141 ext. 251.

The ceramics classes have potters wheels this year and students are learning to throw pots. Of course, drawing, painting, creative photography and sculpture are also parts of our curriculum.

The art department is in need of items which will increase learning and creativity for the students that are currently in art classes. Anything that you could contribute; art supplies, paper, frames, money, newspapers, etc. would be greatly appreciated by us and the students at RHS.

If you are a current practicing photographer or artist, or may have something to share to help our students, please contact us at 694-4141 ext 251. Thank you in advance for your help!

## "GEEK CLUB"

Meetings held in Business Department Room 7-19 (Mr. Metzner). A student-led and teacher-guided assembly of people with similar "geek and nerd culture" interests, hobbies, similarity of lifestyle and life-enriching experiences that culminate in a sharing of such with others. The many areas of interest range from comic books and mystical/fantasy to technology and anime/movies; and many, many more. All interests are grounded in school-appropriate content linked with interpersonal acceptance of all peoples and an invitational-type attitude of well-being and positivity and respect within and throughout the club's membership and extraneous relationships of friendship and kindness.

## Box Tops for Education & Labels for Education

### A school fund-raiser that won't cost you anything!

The Life Skills class at Riverdale High School is collecting "Box Tops for Education" and "Labels for Education" from food products you may already be purchasing. All you have to do is CUT, CLIP, SAVE and send them to RHS, Mrs. M&M Room 8-03. You will recognize the sponsors for "Labels for Education": Glad, Danon, Campbell's, Goldfish, Pepperidge Farms, Bic, Prego and V8 just to name a few. "Box Tops for Education" sponsors including Betty Crocker, Bisquick, Nestle, Pillsbury, Yoplait, Old El Paso, Ziplock, Hanes, Kleenex, Scott, Hefty, and Chex Mix to name a few. CUT, CLIP, SAVE and send the labels in. The labels are counted, submitted and recorded for points and cash. The students will be able to track, graph, monitor, bundle and mail the labels as a yearly math-vocational project. The labels are transferred into points, rewards and cash that can be applied to purchase school supplies or classroom items. So, don't throw those box packages away without first checking for these labels!!!

Your support will be greatly appreciated. Any additional questions, call: Mrs. M&M 694-4141x307 or Ms. Furbay 694-4141x341
